Citizen's Police Academy

Overview

The Citizen's Police Academy, presented by the Morrow Police Department, is designed to allow citizens the opportunity to gain first hand knowledge of police responsibility. Through a class curriculum the students will learn about police operations and community programs to include: patrol officers, detectives, special services and police administrators.

The curriculum is scheduled for classes to be held from 6:30 p.m. until 8:30 p.m. on Thursday evenings, for a total of twelve (12) weeks. There is no cost for these classes. The Morrow Police Department will provide writing materials and a course workbook for your personal use. The classroom lectures encourage class participation. Outside the classroom, this academy will allow students the opportunity to ride-along with a patrol officer during their shift, tour a police facility and jail facility, and negotiate a computer generated use of deadly force simulation course. The academy requires students to pass a final examination and to attend at least ten (10) of the twelve (12) week sessions. The students who successfully graduate from the academy will receive a certificate for their achievement, a working knowledge of police work, and a chance to evaluate our efforts as instructors of this academy.

Applicants are required to submit to a limited background investigation which will be performed by the Morrow Police Department. Accepted applicants must be 18 years of age or older by the start of the first day of class. Applicants cannot have a misdemeanor conviction within the last five (5) years, and applicants who have felony convictions or cases awaiting disposition will not be considered.

The Morrow Police Department is proud to sponsor this academy. Our agency encourages the citizens of this area to register for this unique experience. This academy does not require applicants to have any specific physical abilities and we will make reasonable attempts to accommodate applicants with physical disabilities (we request that you notify us in advance if you have special needs.)

This academy is an exciting opportunity to gain a better understanding of police work and a chance to meet the men and women of the Morrow Police Department. Qualified applicants will be assigned to the class on a first come, first served basis. If a vacancy is not available for you, you may be placed on a waiting list for the next available academy.

We look forward to seeing you in our next Citizen's Police Academy.
