Temporary Signs and Promotions

Temporary Signs/Banners may be allowed for grand openings and special promotions in accordance with the following standards:

- 1) Such special signs are limited to three times per year for a maximum of ten days each.
- 2) The display of a temporary sign or banner must be separated by at least 30 days.
- 3) A maximum sign letter height of 3 feet.
- 4) Permission of the property owner or lessee must be obtained in writing.
- 5) No sign or banner shall exceed 40 square feet in area.
- 6) Seasonal/ temporary businesses operating out of a commercial space with a City of Morrow issued Business License, may display a temporary sign/banner in lieu of a building-mounted sign for up to 60 days. All temporary/banner rules apply.
- 7) When a business has been issued a permit for their building sign, they are allowed to display a banner, a maximum of 60 days, while they wait for the installation of the permitted signage. The banner is a part of the sign permit process and does not require a temporary sign permit. When the building sign is installed the banner must be removed.
- 8) One (1) neon or other type of illuminated sign may be used in the interior window of a store front. Such signs shall not exceed an overall area of two square feet. The sign may not display any movement such as flashing or scrolling.
- 9) Inflatables are prohibited. These include but are not limited to balloons, wind dancers and trademarked items.
- 10) Portable & Mobile signs are prohibited.
- 11) Advertising material, such as flyers, may not be placed on vehicles, mailboxes or any supporting structures.
